

**Annual Meeting of COST Action Mye-EUNITER
&
EUROPEAN WORKSHOP FOR YOUNG MYELOID CELL
RESEARCHERS**

Brno, 01 – 03 March 2017

Meeting Venue:

Hotel Continental Brno

BRNO, CZECH REPUBLIC

<https://www.continentalbrno.cz/?lang=en>

CALL FOR ABSTRACTS:

Young scientists (PhDs and post-docs) from **Mye-EUNITER's** participating laboratories are especially encouraged to join the Workshop and present their recent findings.

All approved applicants will be awarded a COST grant to participate at this event.

**Please submit your abstract by
03 February 2017 to:**

mye-euniter@uk-essen.de

mibaran@cyf-kr.edu.pl

The Meeting will bring together:

- Members of **Mye-EUNITER** - myeloid cell experts
- Young researchers
- International and national representatives of R&D companies.

More about the COST Action

Mye-EUNITER:

<http://www.mye-euniter.eu>

<http://www.cost.eu>

The main objective of this Meeting is to share novel insights in myeloid regulatory cell problematic, explore and discuss opportunities and strengths related to this topic among European laboratories involved in the COST Action **Mye-EUNITER**.

The meeting will comprise:

- **Novel insight and expert views** on different myeloid regulatory subsets in human and animal models.
- An update on the work of the individual Working groups within COST Action **Mye-EUNITER**.
- Short **oral presentations and poster section** of young researchers.
- **Interactive Working groups** for gathering current views on individual issues (round table discussions).
- Establishment of cooperation between academic workers and potential ITN partners.
